# Socials and Events

Our First Committee will be a student/parent/staff committee to get input and plan social events for students.

Any parents who attend the social event will need to submit a volunteer application.

Ways for students to get to know each other and engage outside of school.

Teachers will also plan separate field trips where students will learn in action off-site.

Parents who attend will need to submit a volunteer application.

More to come on these events.

## **The future...**

Every big journey starts with a single step

Small things become great when done with love
